

AIR NEW ZEALAND 

 australia

Experience more of New Zealand

Virgin Australia has expanded its international network in partnership with Air New Zealand. This partnership will now provide your customers with more options and greater choice on itineraries between Australia and Christchurch, Auckland, and Wellington. **These codeshare services will only be available from the Australian point of sale and point of origin.**

For your customers, this partnership offers great value, rewards and service including:

Convenience

A single ticket covering your domestic and international connections with seamless baggage transfer.

Seamless Baggage Transfer

Your baggage through-checked from initial departure to your final destination.

Lounge Access

Qualifying Velocity members can relax before eligible flights with refreshment facilities at applicable lounges^

Loyalty program benefits

For your customers who are Velocity Frequent Flyer members, this partnership offers benefits and rewards including:

- Earn and redeem Velocity Points and earn Status Credits when flying on a Virgin Australia marketed flight operated by Air New Zealand.*
- Book an Any Seat with **Points + Pay** across eligible Trans-Tasman services.*

Additionally, eligible Velocity Gold and Platinum members will receive the following tier benefits:

- ✓ Priority Check-in
- ✓ Priority Boarding and baggage
- ✓ 1x additional baggage up to 23kgs[~]
- ✓ Lounge access^

Learn more

Information accurate as of 4 December 2024. *Subject to Terms and Conditions. Check [Velocity Member Terms and Conditions](#). Priority Check-in & boarding are available at selected ports. See <https://www.velocityfrequentflyer.com/content/Status/Benefits-at-a-glance/> for more information. ^Eligible Velocity tier members and Business Class guests will have access to Air New Zealand Lounges in the following international airports before their trans-Tasman flight when travelling on a VA marketed flight operated by Air New Zealand: Wellington, Christchurch, Sydney, Melbourne, Brisbane, and Perth. In Auckland, access to the third party 'Strata' lounge is available. Each Eligible Velocity members flying on these services may bring one guest into the lounge, provided the guest is also flying on the same VA marketed trans-Tasman flight operated by Air New Zealand (Business class guests cannot bring a guest to the lounge). For eligible Velocity members and Business class guests travelling from Adelaide and the Gold Coast on these services, lounge access will be available at the Virgin Australia Lounge, subject to operating hours. Access to all other Air New Zealand domestic lounges or any other worldwide lounges is not permitted for Virgin Australia guests and Velocity tier members as part of this arrangement. ~When travelling in Business Class the maximum permitted baggage allowance is 3 x 23kg bags.

Discover our expansive network

Our vast domestic and international network gives your customers access to more destinations including Christchurch, Auckland and Wellington.
